### RELEVANT EVENT

Mexico City, Mexico, October 3<sup>rd</sup>, 2018 - Vinte Viviendas Integrales S.A.B. de C.V. ("Vinte") (BMV: VINTE), informs that the credit rating agency HR Ratings assigned a sustainability rating of "HR XB 1+" to the local notes "Vinte 18X". This rating represents the highest letter grade in the rating scale and is based on the Social Bond Principles and Green Bond Principles issued by the International Capital Market Association (ICMA).

Vinte obtained the "HR XB 1+" rating as an additional measurement and to enhance the transparency of the use of the proceeds from the issuance of sustainable local notes "Vinte 18X", made on August 31<sup>st</sup>. The project eligibility criteria for the deployment of resources, outlined in Vinte's Sustainable Bonds Reference Framework, are in line with the business model that the Company has been developing for more than 15 years.

### ABOUT VINTE

Vinte is a vertically integrated Mexican home builder with a clear focus on profitability. For more than 15 years it has been dedicated to developing sustainable residential complexes for low-, middle- and high-income families, focused on improving their quality of life, a commitment for which it has received multiple national and international awards. Throughout its history, the Company has developed more than 35 thousand homes across five states of Mexico, mainly in the central region, achieving a high level of loyalty among its clients and extensive brand recognition in the markets where it operates. Vinte has a highly-qualified management team with over 26 years of experience in the Mexican housing sector.
