

Vinte received a letter of intent for a subscription of shares for up to US\$ 20 million from a European development financial institution

Mexico City, Mexico, April 10th, 2019 – Vinte Viviendas Integrales, S.A.B. de C.V. (“Vinte”) (BMV: VINTE), informs the investing public that today it received a non-binding letter of interest for the acquisition of a block of shares from a European development financial institution, with investment objectives in companies of high sustainability impact (social and environmental). The letter of intent states that the possible investment is subject to the analysis and approvals of the Investor’s Committees (including the final committee, which is expected to be hold on June 7th, 2019). The block of shares to be acquired would be for an equivalent amount of up to US\$ 20 million, at a ceiling price of Ps. 27.20 per share, subject to both the prior approval of Vinte’s Annual General Meeting, duly convened, and the exercise of Vinte shareholders’ preemptive rights. The purpose of this investment would be to bolster Vinte’s sustainable growth, which is why the letter of intent conditions this transaction to a follow-on offering. The foregoing shall be subject to the analysis and recommendations made by Vinte’s Audit and Corporate Practices Committees, as well as its Board of Directors.
