

Vinte is included in Fortune's list of top 52 companies changing the world

Mexico City, Mexico, August 26th, 2019 – Vinte Viviendas Integrales S.A.B. de C.V. (“Vinte”) (BMV: VINTE), announces that on August 19th, it was recognized by Fortune as one of the 52 companies in the world (incorporating 18 countries) that are changing the world through social impact during 2019.

Change the World list has been published by Fortune for 5 consecutive years, Vinte being the third Mexican company and only Mexican company recognized on the list for the current year, as well as the only homebuilding sector company included in this list worldwide. The list includes companies which have the highest social positive impact through core business' activities and that, by having this impact, generate solid profit for the company.

Fortune considers the **Measurable Social Impact, Business Profitability, Innovation and Corporate Integration** as factors for its selection on the *Change the World* list, resulting on a list of companies which *are thriving through their social work*. Vinte considers being selected for this list in 2019 an honor and will continue to operate as it has since its incorporation including Sustainability (social and environmental impact) and innovation as key factors of its Business Model.
