

Vinte receives letter of interest for subscription of shares for up to \$20 million dollars from a sustainable impact fund in Europe

Mexico City, Mexico, April 24th, 2020 – Vinte Viviendas Integrales S.A.B. de C.V. (“Vinte”) (BMV: VINTE), announces that yesterday it received a non-binding letter of interest for the subscription of Vinte shares. The letter was from a fund managed and promoted by the government of a European country, whose investment objectives are focused on sustainable impact through companies that support compliance with the UN Sustainable Development Goals (SDGs). The communication mentions that the possible investment is subject to analysis and approvals from the fund committees. The share package to be acquired would be for an equivalent amount of up to \$20 million US dollars, at a maximum price of \$27.70 pesos per share, subject to both the prior approval of Vinte's General Shareholder Meeting, and the subscription preference rights applicable to Vinte's shareholders. The purpose of the investment would be to drive Vinte's sustainable growth, therefore the letter of interest is conditional upon a primary placement of shares by the Company. The above will be subject to both analysis and recommendations made by Vinte's Audit and Corporate Practices Committees and Board of Directors.
