### ABOUT VINTE

Vinte is a vertically integrated, sustainable Mexican real estate company with a clear focus on profitability. For more than 16 years, Vinte has been dedicated to developing sustainable housing developments for low-income, middle-income and residential families, with a solid focus on improving their quality of life, for which it has received multiple national and international awards. Throughout its history, Vinte has developed more than 38 thousand homes in five Mexican states, mainly in the center of the country, achieving a high level of loyalty among its customers and a wide brand recognition in the cities where it operates. Vinte has a highly qualified management team with more than 27 years of experience in the Mexican housing sector.
