

Vinte announces the publication of its 2023 Sustainability Annual Report for the seventh consecutive year

Mexico City, Mexico, October 4, 2024 - Vinte Viviendas Integrales, S.A.B. de C.V. ("VINTE") (BMV: VINTE) informs the investor public that today it has published its 2023 Annual Sustainability Report.

We are proud to present our 2023 Annual Sustainability Report, prepared in accordance with the GRI Standards.

For the seventh consecutive year, Vinte has published its Annual Sustainability Report, which includes its sustainability strategy and commitments related to the continuity of investments with a high positive social and ecological impact, aligned with its sustainable business model of shared value creation ("Shared Value Business Model").

Vinte's vision for sustainability involves creating communities that generate a positive social, economic, and environmental impact through socially responsible operations and environmentally friendly products.

ABOUT VINTE

Vinte is a vertically integrated sustainable Mexican home builder with a clear focus on profitability. For more than 21 years Vinte has been developing sustainable housing complexes for families of entry-level, middle, and upper-middle incomes, with a solid focus on improving their quality of life, a task for which it has received multiple national and international awards. Throughout its history, Vinte has developed more than 59 thousand homes in 8 Mexican states, mainly in the central region of the country, achieving a high level of loyalty among its customers and broad brand recognition in the markets in which it operates. Vinte initiated its digital strategy in 2017 focused on Proptech with more than 5,000 homes sold through digital media and 36% of total sales in the last 12 months. Vinte has a highly qualified management team, with more than 32 years of experience in the Mexican housing sector.
