ABOUT VINTE

Vinte became the largest homebuilding group in Mexico in December 2024, following the acquisition of Javer. We are a vertically integrated, sustainable real estate developer with 22 years of experience and a clear focus on profitability and value creation, with 15,243 homes titled between both companies during 2024. Our highly qualified management team has over 33 years of experience in Mexico's housing sector. Throughout our history, we have focused on developing sustainable housing complexes for low, middle, and middle-higher income families, with a constant commitment to improving their quality of life, an effort that has earned us multiple national and international awards. At Vinte, we have developed more than 72,000 homes across nine states in Mexico, primarily in the central region, achieving high levels of customer loyalty. Since 2017, we have pursued a digital strategy focused on Proptech, aligned with the company's philosophy of innovation.
