ABOUT GRUPO VINTE

Grupo Vinte became the largest homebuilding group in Mexico in December 2024, following the acquisition of Servicios Corporativos Javier. Additionally, in November 2025, Grupo Vinte acquired 100% of the shares of Drex Desarrollo Residencial, a leading sustainability-focused developer in Sonora and Baja California. We have a highly qualified management team, with more than 33 years of experience in the Mexican housing sector. We are a sustainable, vertically integrated real estate developer with 22 years of history and a clear focus on profitability and value creation, with 15,681 homes deeded during 2025 across the 3 companies. Throughout our history, we have been dedicated to developing sustainable housing communities for low-, middle-, and upper-income families, with a constant commitment to improving their quality of life, which has earned us numerous national and international recognitions. At Grupo Vinte, we have built more than 72 thousand homes in eleven states across the country, achieving a high level of customer loyalty. Since 2017, we have driven a digital strategy focused on Proptech, in line with the company's innovation philosophy.
