ABOUT GRUPO VINTE

Grupo Vinte became Mexico’s largest homebuilding group in December 2024, following the acquisition of Servicios Corporativos Javier. We are a sustainable, vertically integrated real estate developer with 22 years of track record and a clear focus on profitability and value creation, with 15,243 homes deeded between both companies during 2024. Additionally, in November 2025, Vinte acquired 100% of the shares of Derex Desarrollo Residencial, a leading sustainability-focused developer in Sonora and Baja California. We have a highly qualified management team with more than 33 years of experience in Mexico’s housing sector. Throughout our history, we have been dedicated to developing sustainable housing communities for social-interest, middle-income and residential families, with an ongoing commitment to improving their quality of life, which has earned us numerous national and international recognitions. At Grupo Vinte, we have developed more than 72,000 homes in nine states across the country, primarily in the central region, achieving a high level of loyalty among our customers. Since 2017, we have driven a digital strategy focused on Proptech, in line with the company’s philosophy of innovation.
