ABOUT GRUPO VINTE

Grupo Vinte became Mexico's largest homebuilding group in December 2024, following the acquisition of Servicios Corporativos Javer. Additionally, in November 2025, Grupo Vinte acquired 100% of the shares of Derex Desarrollo Residencial, a leading sustainability developer in Sonora and Baja California. We have a highly qualified management team, with more than 33 years of experience in the housing sector in Mexico. We are a sustainable and vertically integrated real estate developer, with 22 years of track record and a clear focus on profitability and value creation, with 15,681 homes deeded during 2025 across the 3 companies. Throughout our history, we have been dedicated to developing sustainable housing communities for social, middle-income, and residential families, with an ongoing commitment to improving their quality of life, which has earned us numerous national and international recognitions. At Grupo Vinte, we have developed more than 83 thousand homes in eleven states of the country, achieving a high level of loyalty among our customers. Likewise, Javer had developed more than 300 thousand homes in its 50 years of history, and Derex more than 24 thousand homes in its 26 years of history. Since 2017, we have driven a digital strategy focused on Proptech, in line with the company's innovation philosophy.
